bus stops are changing in Central Bournemouth

timetable changes

Timetables will also change on **Saturday 23rd May** for service reliability improvements and frequency changes.

This will include the return of our popular summer *Breezer* routes, providing great days out by bus.

New timetable books will be available from late May and all details can be found on our website morebus.co.uk

Government funding is being used to transform the area with:

- A new priority route for buses
- Reconstruction of the uneven road surface (due to subsidence)
- Widened footways with raised kerbs for easy access onto the bus
- New larger shelters with seating
- Improved Real Time Information displays and CCTV
- New crossing points

From 23rd May,
you will need to get on and off your
bus in a different place
