# temporary timetables

during the

**A31 roadworks**  
affecting the Ringwood area

from 4 January 2022 until further notice

# Due to major roadwork improvements, your journey will take a little longer...

There are major roadworks in the Ringwood area taking place from Tuesday 4 January 2022. The Westbound slip road will close, followed by major bridge improvements in the same area lasting until the Winter of 2022. As a result, our Ringwood area routes will be affected.

## — What will I need to do?

You may need to catch your bus slightly earlier than usual. Unfortunately, due to the nature of these roadworks, X3 and X6 buses will take longer to travel through so we have added extra journey time into the timetable to help with reliability. This will affect all days of the week.

## — How long are these timetables in use?

These timetables will be in use throughout the A31 roadworks, however things outside of our control may change, so please check our website regularly for any updates.

## — Where can I find out more information?

During these major roadworks the best way to stay up-to-date is via social media where we notify you of traffic which affects our buses.

So, like us on [facebook.com/morebuses](https://www.facebook.com/morebuses) or follow us on [twitter.com/morebusco](https://twitter.com/morebusco)

The complete timetable has been re-timed and, where appropriate, additional time has been added to accommodate to the roadworks.

The complete timetable has been re-timed and, where appropriate, additional time has been added to accommodate to the roadworks.

38

Journeys have been reduced from five to four in each direction to allow for additional running time. Timetables will be the same from Mondays to Saturdays.

To allow for improved reliability the first three journeys have been slightly re-timed, applying from Mondays to Saturdays.
